Founded in 1874 by Major Frank Holsinger, within one-half mile of the present location, 4½ miles from the Kansas City Union Station.

The office and nursery are located one mile southwest of Rosedale, Kansas, and three miles northeast of Merriam on the Southwest Boulevard.

Our grounds and buildings are open on Sundays to visitors and prospective purchasers during the months of March, April, October and November.

We invite your personal inspection of our premises and growing stock. There is always something of interest and beauty to see here. Come out and select the particular evergreen or tree you want.

Many valuable growing trees, plants, shrubs and evergreens, etc., etc., can be procured here which are not listed in the catalog.

We maintain a landscape department. Our experts will be glad to call and advise with you on your planting problems, without financial obligation on your part.

If you cannot call, phone your order. We will be glad to deliver it to your home.

We exercise the greatest care to keep our varieties pure and true to name, and hold ourselves in readiness at all times to replace, on proper proof, all stock that may prove otherwise, or refund the amount paid, but it is mutually agreed between the purchaser and ourselves that we shall not at any time be liable for any amount greater than the original price.

TERMS—Cash with the order or before stock is shipped. We do not prepay charges. All goods sent carriage charges collect. If sent by Parcel Post we will ship C. O. D. the amount of postage.

Nursery stock is perishable and must be handled carefully and quickly. Our facilities for handling the stock are of the best. We have all necessary machinery for digging, handling, packing and shipping nursery stock in the best possible manner and with the least possible delay.
